DESCRIPTION

WAC Lighting Step and Wall Lights are designed to seamlessly blend into any architecture featuring a sleek interchangeable magnetic faceplate with no visible hardware. These luminaires offer enhanced energy-efficient functionality and optimized light output to adequately illuminate stairs, walls and walkways with little or no glare. Light engine is IP66 sealed for both indoor and outdoor applications.

FEATURES
• Diffuse tempered glass provides even illumination
• Magnetized design for easy installation and maintenance
• Low profile, flush to wall aesthetics with no visible hardware
• Can be mounted vertically or horizontally
• 5 year warranty
