IP65 RATED

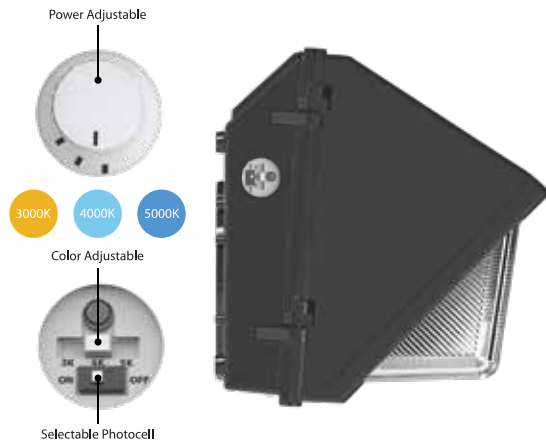

DLC PREMIUM LISTED**

UL CERTIFIED

5-YEAR LIMITED WARRANTY**

3-Way field adjustability.

All sizes of these wall packs have 3-way field adjustability: 3 selectable wattages, 3 selectable color temperatures, and an on/off photocell, giving you 18 SKUs in one wall pack. This is a game changer in the world of ultra-economy fixtures!

Traditional on the outside, cutting edge on the inside.

With a classic, prismatic glass design, the WP123 XFU comes in three sizes that cover the footprint of most outdated metal halide wall packs. With 9 different lumen packages to choose from, it's easy to find exactly what you need.

Size	Model	Lumen Output	
WP1 XFU	29	4,200/3,000/2,300lm	
	WP2 XFU	29	4,200/3,000/2,300lm
		40	5,700/4,400/3,000lm
		60	8,500/6,700/5,300lm
		80	12,770/9,849/6,769lm
100	15,500/12,500/9,500lm		
WP3 XFU	50	7,500/6,000/4,500lm	
	120	18,500/15,500/12,500lm	
	150	23,000/20,000/15,500lm	

High performance.

This family delivers a super-high efficacy of up to 169 lm/W and 80+ CRI. Its output is smooth and quiet and comes without the flickering or humming often found in ultra-economy lighting.

Ordering Matrix

Product Family	Wattage*	Color Temp	Finish	Driver	Options
WP1XFU WP2XFU WP3XFU	29 40 50 60 80 100 120 150	15/20/29W 20/30/40W 30/40/50W 35/45/60W 40/60/80W 60/80/100W 80/100/120W 100/130/150W	Blank 5000/4000/3000K Selectable	Blank Bronze	Blank 120-277V Blank Selectable Photocell Control
